Post Office Dept. Celebrates 91st Anniversary M. O. Service

The 91st anniversary of establishment by the Post Office Department of the postal money order system in the United States, which fell on November 1, found the money order system newly streamlined for safety, convenience and efficiency to an extent hitherto unknown in postal history, Postmaster General Summerfield said.

Authorized by Act of Congress on May 17, 1864, the system was put into operation on November 1 of that year. Early operations were small compared with those of today. During the first eight months money orders totaled only $400,000. This year the total will be approximately $6 billion.

Money order convenience and efficiency are served today as never before by the recently developed method of handling business at postal money order windows.

Formerly the purchaser was required to fill out an application, and thereafter the postal clerk filled out the money order form. As a result of changes made in the last few months, the purchaser now merely walks up to the window and tells the clerk the amount of the order he wishes to buy. The clerk fills in the amount on the form and stub. Before mailing, the purchaser fills in the name and address of the payee, and his own name and address.

In this manner much is added to the convenience of the postal patron, while the savings in clerk-time and paper work may be expected to reduce postal operating costs by several millions of dollars a year, Postmaster General Summerfield said.

Original the maximum amount of a money order was $30. Today the maximum for individual orders is $100. And today money orders may be cashed at any post office or bank the payee finds convenient. In the early days such orders were cashed only by specified offices, and even then only after the issuing office notified the paying office on a form called an "advice."

A.H.S. Newscast

By Peggy Wooten

Hello There!

Report cards came out Thursday. The majority of us displayed a very pleased look, but some of us seemed a bit disgusted with ourselves. We promise to study harder next time, teachers!

Many of our county teachers attended the state-wide Virginia Educational Association meeting in Richmond last week. Mrs. H. A. Gurney and Mrs. Kenneth Gregory represented Appomattox County, along with Dr. Aubrey Keesee and Miss Flora Belle Williams. Mrs. Joyce Curorke and Miss Jula Asher attended special sessions of the meeting.

The Student Council sent members of its council to visit E. C. Glass last Thursday. Among these delegates were Mrs. H. W. Runkle, "Bill" Carson, Mary Walker Evans, Peggy Wooten, Lewis McDearmon, Richard Robinson and Frank Hanenkrat. They received many helpful suggestions on this trip.

An Inter-Club Council is being formed here at A. H. S. This club is to be made up of all the presidents of each school club. The members of this council are as follows:

Betty Mitchell, Shawn Mabley, Buddy Poe, Ann Cunningham, Carrie Inge, Ralph Reynolds, Mary Anna McDearmon, Doris Clapp, Mark Hipps, Joan Weeks, Joey George, Moses Dinkins, Agnes Davidson, along with the members of the Student Council.

This week is a big week for the local F. H. A. This is National F. H. A. Week all over the United States. Yesterday the girls had a very interesting assembly program. Today they held a tea for their parents and teachers.

We have a swell little school paper this year. The first edition came out last Friday. We think our editors and their staff are tops. They worked very hard in getting out this edition. Can't we give them a big boost, by subscribing to it soon? The staff wishes to thank all the people, especially the teachers, who helped push their sale Friday.

Because our library needs funds, Miss Julia Asher will take subscriptions to any magazine of your choice. The commission from these sales will be applied to the library fund. Are you interested in a magazine? Does your subscription need renewing? Then, see Miss Asher right away.
